

# **Fidelmar Coronel**

Los Angeles, CA 90043 • (323) 633- 3898 • Coronel08@aol.com

Website: <https://fcoronel.com/>

Github Portfolio: <https://github.com/coronel08>

**About:** I have been programming for a couple of years now, mainly in python. What does programming mean? I simply say it means entering instructions for the computer in its own language, ex: do this, then that and so on. I enjoy being able to translate things from interesting ideas to actual projects in the same way a musician expresses themselves using music. Check out my website and github to see some of my work.

## **Education:**

2009-2013      B.A in Communications emphasis on Public Relations & Advertising
